

West End Lawn Tennis Club

Policy on Club Room Use

1. The use of the Club Room is a privilege and Club members have priority usage.
2. Hire to responsible members of the community or corporate bodies known to the committee will also be considered.
3. The committee reserves the right to decline hire without explanation.
4. All non-member hires must be approved at a committee meeting (2nd Monday of the month, except Jan) and not via email.
5. The committee will not hire to non-members for functions/activities primarily for under 25 year olds. Under 25-year-old members must be committee approved and provide a parent or other guarantor.
6. Due to our residential location and the proximity of our neighbours, evening functions involving loud music are strictly limited. Music must be turned down by 11pm and off at 12am.
7. A bond for regular users is not required. If damage occurs the regular user will pay for repairs/replacement.
8. The fee for using the Club's facilities depends on whether the user is a club member, community member or a corporate body.
9. All users must complete the Agreement for Use of the Club's Facilities.
