Terms & Conditions

Booking

All Users must complete and return this Agreement to the Club to the satisfaction of the Club. A booking for the User to use the Facilities will only be accepted and confirmed by the Club after the Club has received payment of the Fee in full.

Completion of this Agreement and payment of the Fee in full by the User shall be an offer only, and capable of acceptance by the Club at the Club's discretion.

Right to Use

All hires are conditional on the user and their guests having valid vaccine passes or exemptions. Upon a booking being accepted by the Club, the Club grants to the User and the User accepts a licence to use those Facilities ticked on the front page of this Agreement during the Times of Use at the Fee and otherwise on the terms and conditions expressed and implied in this Agreement. The User acknowledges that this Agreement and any use of the Facilities does not grant any exclusive occupation or lease of any of the Facilities during the Times of Use or at any other time.

Rates and payments

The Fee for use of the Facilities is calculated by the Club in accordance with the Rates specified on the front page. The Fee shall be paid by the User in full by the date specified on the invoice issued by the Club to the User. If the Fee is not paid in full by the due date, the Club may elect not to accept the booking. Extra charges may be incurred by the User at the discretion of the Club should the use occur outside the Times of Use. All setting up and pack down or after event cleaning is deemed to be part of the use of the Facilities and must be conducted by the User within the Times of Use.

Bond

The User may be required to pay a Bond as part of the Fee as determined at the discretion of the Club. In the event that a Bond is payable, the User shall pay the Bond sum of \$500 to the Club at least three (3) weeks prior to the User accessing any of the Facilities. The Bond sum may be held by the Club on interest bearing deposit and any interest accrued shall be for the sole benefit of the Club. Deductions from the Bond will occur at the discretion of the Club if, in the determination of the Club:

- The Facilities or any of the Club's equipment or fittings are damaged;
- Additional cleaning is required;
- The User remains within the Facility outside of the Times of Use;
- Access swipe-cards and/or keys are not returned to the Club within three days of the function;
- Rubbish is improperly disposed;
- Damage to any neighbours' property occurs;
- The alarm is improperly activated, resulting in a security call-out;
- Any action by the User or breach of this Agreement results in the Club sustaining any damage, loss, costs or charges.

Unless the Club is entitled to make a deduction pursuant to this Agreement, the Bond will be returned to the User in full within 10 working days after the function date.

Insurance

The Club, and Users pursuant to this Agreement are insured for Material Damage and Public Liability for the specific use of the Facilities set out in this Agreement. However, if damage was to result from negligence on the part of the User or persons under the control of the User, the Club's insurance company has the right to seek subrogation/recovery from the at-fault party. It is up to the User to provide its own Public Liability insurance cover if deemed necessary. Should the Club make any insurance claim as a direct or indirect result of the User's activities then the User is responsible for any insurance excess payable in respect to that claim.

Access

The Club will provide the User with the swipe-card and/or keys determined by the Club. A pre-function inspection will be performed by the Club at that time. All swipe-cards and keys must be returned to the Club the following day during the post function bond inspection.

Capacity

The User will ensure that no more than 125 persons are allowed within the Facility at any one time during the Times of Use. In particular the Club Room including the deck area has a maximum load capacity of 125 persons.

The cleaning company's minimum rate is \$90 for 2 hours to cover the normal range of festive/corporate hireage. Additional charges may arise if the Facility is left in an unsatisfactory state.

A fire warden must be appointed and every User is required to be familiar with the procedure for evacuation of the Facilities in case of fire, and for following instructions of the appointed fire warden. The warden must ensure that all means of leaving the Facilities are checked twice during the Times of Use - once on entering the Facilities, and once during the course of the function. In case of fire, evacuate the Facilities immediately, and then notify the New Zealand Fire Service by phoning 111.
